

Material Safety Data Sheet

1. Substance and Company ID

Name of Product:

ëkcoscreen (TR Compound)

Substance Use : Chemical product for construction and industry.

Manufacturer / Distributor : ëkcos Innovations
3343 Bermuda Ct
San Ramon, CA. 94582

Phone : (925) 968-0051

Fax : (925) 968-1714

E-mail : info@ekcos.com

2. Hazardous Ingredients

The product hasn't been clasified as hazardous according to " la Directiva 67/548/EEC" and its amendments.

Please consult section 11 to obtain more information about health hazard data.

3. Identity Information

Identity Characteristics : Mix, synthetic thermoplastic rubber, biocide, desmoldant, antirust, pigment, and aroma.

4. Health Hazard Data

Inhalation : Obtain medical attention if symptoms presented.

Ingestion : Obtain medical attention if symptoms presented.

Skin Contact : Obtain medical attention if symptoms presented.

Eyes Contact : Obtain medical attention.

Medical meassures : No specific treatment.

Please consult section 11 to obtain more information about health hazard data.

5. Fire and Explosive Hazard Data

Appropriate : Use correct extinguish agents for surrounding fire.
Non Appropriate : Unknown.
Special Exposure Dangers : N/A

Fire Fight Personal Equipment : Appropriate personal equipment including respiratory equipment with complete face mask with positive pressure.

6. Precautions in Case of Contamination

Environmental Precautions : In case of contamination, inform the pertinent authorities.

7. Precautions for Handling and Use

Handling : No special measures required.
Storage : According to local normative.

Recommended : Use original container.

8. Exposure Control / Personal Safety Equipment

Limit exposure unknown.

Professional Exposure Control : Use normal ventilation procedures.

Respiratory Protection : No special measures required.

Hand Protection : No special measures required.

Skin Protection : No special measures required.

9. Physical and Chemical Characteristics

Shape : Molded urinal screen.
Color : Violet / Green
Odor : Cherry / Apple

Inflammability : Empty vase: N/A
Temperature

Density : 1.3 a 1.4 g/cm³ [20°C (68°F)]

Solubility : Water

10. Reactivity Data

Stability	: This product is stable. Under normal storage and use conditions, no dangerous polymerization will occur.
Conditions to be avoided	: N/E
Materials to be avoided	: N/E
Dangerous decomposition Products	: Under normal storage and use conditions, no dangerous decomposition will occur.

11. Toxicological Information

Inhalation	: N/A
Ingestion	: Can cause stomach hurt.
Skin Contact	: N/A
Eyes Contact	: Can cause eye irritation.
Chronic Effects	: Non significant effects or critic risks.

12. Ecological Information

Environmental Effects	: Dispose the product according to local authorized regulations.
------------------------------	--

13. Waste Disposal Considerations

Waste Disposal Methods	: Avoid or minimize the generation of residues. Eliminate surplus according to local authorized environmental regulations.
-------------------------------	--

Packaging	: Empty packaging can be recycled.
------------------	------------------------------------

14. Other Handling Information

IMDG

Not regulated.

Marine pollutant : No.

IATA

Not regulated.

15. Regulatory Information

Classification and labelling han been determined according to "las Directivas de la UE 67/548/CEE y 1999/45/CE" (amendments included).

Classification : This product isn't classfied according to EU legislation.
VOC Content : VOC (w/w): 0%

16. Other Information

Printed : 10.02.2010
Issued : 10.02.2010

The information included in this sheet corresponds to our knowledge level. Any guarantees remain excluded.
 Please consult MSDS before use.
