

new ëkcono-screen

FROM THE MAKERS OF THE REVOLUTIONARY ËKCOSCREEN
COMES A NEW INNOVATIVE AND
INEXPENSIVE URINAL SCREEN
INEXPENSIVE, EFFECTIVE, HYGIENIC

We have developed a low cost, simple solution for public urinals.

The new ëkcono-screen features an innovative design with Fragrance Blades™ that release more fragrance than most other urinal screens while also deflecting urine on impact.

ëkcono screens also features an anti-microbial that will eliminate E.Coli, Klebsiella and Staph on the surface of the screen. Our anti-microbial will also prevent odor causing bacteria from developing reducing foul odors in the urinal.

- Innovative Design
- Proprietary Fragrance Blades™
- Exclusive Anti Microbial technology
- Deflects urine through Fragrance Blades™
- Assorted fragrances
- Attractive translucent colors
- Lasts 30 days
